## Rezolute Announces Appointment of Keith Vendola as Chief Financial Officer

LOUISVILLE, Colo., May 16, 2018 (GLOBE NEWSWIRE) -- [Rezolute, Inc.](#) (“Rezolute” or the “Company”) (OTCQB:RZLT), a clinical stage biopharmaceutical company specializing in the development of innovative drug therapies for metabolic and orphan diseases, announced today that Keith Vendola, M.D., M.B.A., has joined the Company as Chief Financial Officer. With two decades of expertise in healthcare corporate finance, Dr. Vendola will report directly to Nevan Elam, Chief Executive Officer of Rezolute.

“Keith’s finance and extensive deal expertise coupled with his medical background are a perfect fit for Rezolute given our stage of development and strategic goals,” Mr. Elam said. “Keith will play an integral role in moving Rezolute forward as a clinical stage company. I look forward to working closely with him.”

“I am thrilled to join Rezolute,” stated Dr. Vendola. “The team is driven by a passion to develop promising therapeutics that improve the care and lives of patients impacted by metabolic and rare conditions. I am honored to help with this mission.”

Dr. Vendola previously served as Vice President of Competitive Strategy and Chief of Staff at Coherus BioSciences while the market cap exceeded \$1 billion. In this role, he interacted extensively with Wall Street and executed multiple financings. In addition, he has served in senior finance and corporate development roles at a variety of pharmaceutical companies and as an investment banker within the healthcare groups of Banc of America Securities and Chase. As an executive and investment banker, he has contributed to many transactions and helped companies raise over \$850 million.

Dr. Vendola received an M.B.A. in finance from Northwestern’s Kellogg School of Management, M.D. from Dartmouth Medical School and B.A. in psychology from the College of the Holy Cross, where he graduated with honors. He completed an executive education program at Harvard Business School focused on strategic negotiations as well as a research fellowship in the Developmental Endocrinology Branch of the National Institutes of Health, where he was an author on multiple papers.
