Rezolute Expands Leadership Team with Appointment of Daron Evans, MS, MBA, as Chief Financial Officer

REDWOOD CITY, Calif., Jan. 24, 2024 (GLOBE NEWSWIRE) -- Rezolute, Inc. (Nasdaq: RZLT), a clinical-stage biopharmaceutical company committed to developing novel, transformative therapies for serious metabolic and rare diseases, today announced the addition of Daron Evans, MS, MBA, to its leadership team as Chief Financial Officer as well as the grant of share options as a material inducement for his appointment (the "Inducement Grant").

About Mr. Evans

"This is a pivotal year for Rezolute as we initiated our Phase 3 clinical study for RZ358 in congenital hyperinsulinism and anticipate reporting topline data from our Phase 2 study for RZ402 in diabetic macular edema in the second quarter of 2024," said Nevan Charles Elam, Chief Executive Officer and Founder of Rezolute. "As a seasoned biotech leader and entrepreneur, Mr. Evans has recognized the value of our novel therapies for rare and metabolic disease. His experience in corporate finance, capital markets, and strategic transactions will help shepherd Rezolute through its next chapter in late-stage development and support its mission to help patients in need."

Mr. Evans has over 15 years of experience leading public and private life science companies through financial operations, investor relations, and business development activities. Prior to joining Rezolute, he served as Chief Executive Officer of AlloRock, Inc., a biotechnology company in the cardiometabolic disease space, as well as Chief Executive Officer of Specialty Renal Products, Inc., a medical device company in the dialysis space. Previously, Mr. Evans served as Chief Executive Officer of Nephros, Inc., and Chief Financial Officer of Nile Therapeutics, Inc. Since 2015, Mr. Evans has been Managing Director of PoC Capital, LLC, a fund focused on investing in public life science companies. He holds a Bachelor of Science in Chemical Engineering from Rice University, a Master of Science in Biomedical Engineering from a joint program at the University of Texas at Arlington and Southwestern Medical School, and a Master of Business Administration from the Fuqua School of Business at Duke University.

"Rezolute is on the precipice of potentially making a significant impact on the lives of patients and their families in multiple indications," said Mr. Evans. "I am very impressed with the dedication and experience of the Rezolute team and am honored to join the mission at this critical time."

Inducement Grant

In connection with Mr. Evans' appointment, on January 23, 2024, the Company's Board of

Directors, upon recommendation of the Compensation Committee, approved the grant of an inducement stock option of 275,000 shares of the Company's common stock in accordance with Nasdaq Listing Rule 5635(c)(4). The option has an exercise price of \$1.02 per share, which is equal to the closing price of Rezolute's common stock on January 23, 2024. The stock options will vest and become exercisable as to 25% of the underlying shares on the first anniversary of the grant date, and will vest and become exercisable as to the remaining 75% of the underlying shares in 36 equal monthly installments from the first anniversary of the grant date, subject to his continued employment with Rezolute on such vesting dates. If the Company is acquired during his employment, all remaining options will automatically vest.
