PROXY STATEMENT**

GENERAL INFORMATION

The enclosed proxy is solicited by the Board of Directors (also referred to as the **“Board”** herein) of Rezolute, Inc., a Nevada corporation, (which we refer to as the **“Company,” “Rezolute,” “we,” “us,”** or **“our”**) for use at the 2024 Annual Meeting of Stockholders of the Company (the **“Annual Meeting”**), to be held on Thursday, May 16, 2024 at 3:00 p.m. Pacific Time, via a virtual meeting, and at any postponement or adjournment thereof. You may virtually attend the Annual Meeting, vote, and submit a question during the Annual Meeting by visiting <https://agm.issuerdirect.com/rzlt>. QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING AND VOTING

The following questions and answers are intended to briefly address potential questions that our stockholders may have regarding this Proxy Statement and the Annual Meeting. They are also intended to provide our stockholders with certain information that is required to be provided under the rules and regulations of the SEC. These questions and answers may not address all of the questions that are important to you as a stockholder. If you have additional questions about the Proxy Statement or the Annual Meeting, please reach out to Issuer Direct below.

What is the purpose of the Annual Meeting?

At the Annual Meeting, our stockholders will be asked to consider and vote upon the matters described in this Proxy Statement and in the accompanying Notice, and any other matters that properly come before the Annual Meeting.

What is a proxy statement and what is a proxy?

A proxy statement is a document that we are required by law to give you when we ask you to sign a proxy designating individuals to vote on your behalf. A proxy is your legal designation of another person to vote the stock you own. That other person is called a proxy. If you designate someone as your proxy in a written document, that document also is called a proxy or a proxy card.

Why did I receive these proxy materials?

We are providing these proxy materials in connection with the solicitation by the Board of proxies to be voted at the Annual Meeting, and at any postponement or adjournment thereof. This Proxy Statement contains important information for you to consider when deciding how to vote on the matters brought before the Annual Meeting. You are invited to attend the Annual Meeting virtually to vote on the proposals described in this Proxy Statement. However, you do not need to attend the Annual Meeting virtually to vote your shares. Instead, you may vote your shares using one of the other voting methods described in this Proxy Statement.

How may I virtually attend the meeting?

The Annual Meeting will be conducted completely as a virtual meeting via the internet. Stockholders may attend the meeting virtually, vote, and submit questions during the meeting by visiting <https://agm.issuerdirect.com/rzlt>. We believe that holding our meeting completely online will enable greater participation and improved communication. Stockholders will need the control number included on their proxy card to enter the meeting and vote their shares at the meeting.

Can I vote my shares at the meeting?

If you are a stockholder of record of our common stock, you may vote your shares at the meeting by going to <https://agm.issuerdirect.com/rzlt> and using your Control ID number and Request ID number included on your proxy card. Even if you currently plan to attend the meeting virtually, we recommend that you also submit your proxy as described below so that your vote will be counted if you later decide not to attend the meeting. If you are a “street name” holder, you must vote your shares in the manner prescribed by your broker, bank, trust or other nominee.

How can I submit questions for the Annual Meeting?

You may submit questions prior to the meeting or during the meeting at <https://agm.issuerdirect.com/rzlt>. Questions pertinent to matters to be acted upon at the Annual Meeting as well as appropriate questions regarding the business and operations of the Company will be answered during the Annual Meeting, subject to time constraints. In the interests of time and efficiency, we reserve the right to group questions of a similar nature together to facilitate the question and answer portion of the meeting. We may not be able to answer all questions submitted in the allotted time.

What am I being asked to vote upon at the Annual Meeting?

At the Annual Meeting, you will be asked to:

- Vote on the election of Nevan Charles Elam, Gil Labrucherie, Philippe Fauchet, Nerissa Kreher, Wladimir Hogenhuis, and Young-Jin Kim to the Board (the “*Board of Directors Proposal*”);
- Ratify the appointment of Grant Thornton LLP as the Company’s independent registered public accountants for the fiscal year ending June 30, 2024 (the “*Accountant Proposal*”);
- Approve, by a non-binding advisory vote, the compensation of the Company’s named executive officers, or NEOs, as disclosed in the Executive Compensation section of this Proxy Statement (the “*Say-On-Pay Proposal*”);
- To approve the amendment to the Company’s 2021 Incentive Compensation Plan (the “*2021 Plan*”) to reflect the adoption of the Company’s incentive compensation recovery policy (the “*2021 Plan Amendment Proposal*”); and
- Act upon such other matters as may properly come before the Annual Meeting or any postponement or adjournment thereof.

Does the Board recommend voting in favor of the proposals?

Yes. The Board unanimously recommends that you vote your shares:

- “FOR” each of the director nominees identified in the Board of Directors Proposal;
- “FOR” the Accountant Proposal;
- “FOR” the Say-On-Pay Proposal; and
- “FOR” the 2021 Plan Amendment Proposal.

Only our “stockholders of record” at the close of business on the Record Date will be entitled to vote at the Annual Meeting. On the Record Date, there were 40,127,647 shares of our common stock outstanding and entitled to vote.

What if you are a Beneficial Owner of shares held in “Street Name”?

If, on the Record Date, your shares were held in an account at a bank, broker, dealer, or other nominee, then you are the “beneficial owner” of shares held in “street name” and this Proxy Statement is being forwarded to you by that bank, broker, dealer, or other nominee. Such nominee holding your account is considered the “stockholder of record” for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your nominee on how to vote the shares in your account. You are also invited to virtually attend the Annual Meeting. However, since you are not the “stockholder of record,” you may not vote your shares virtually at the Annual Meeting unless you request and obtain a valid proxy from your nominee. Please contact your nominee directly for additional information.

Brokers, banks or other nominees holding shares of record for their respective customers generally are not entitled to vote on the election of directors unless they receive voting instructions from their customers. As used herein, “uninstructed shares” means shares held by a nominee who has not received instructions from its customers on a particular matter. As used herein, “broker non-vote” means the votes that could have been cast on the matter by nominees with respect to uninstructed shares if the nominees had received instructions. The effect of proxies marked “withheld” as to any director nominee or “abstain” as to any other proposal, and the effect of broker non-votes on each of the proposals, is discussed in each proposal below.

How many votes do I get?

Each share of common stock entitles the holder thereof to one vote on each matter to be voted upon. Dissenters’ rights are not applicable to any of the matters being voted upon.

What are the voting requirements to approve the proposals?

Please see each proposal below for voting requirements applicable to each proposal.

What happens if I do not vote?

Please see each proposal below for the effect of not voting as well as the effect of withholdings, abstentions and broker non-votes.

What is the quorum requirement for the Annual Meeting?

The presence virtually via the Internet or by proxy of the holders of shares of stock having a majority of the votes which could be cast by the holders of all outstanding shares of stock entitled to vote at the meeting shall be necessary and sufficient to constitute a quorum.

For purposes of establishing a quorum, stockholders of record who are present at the Annual Meeting virtually via the Internet or by proxy and who abstain or withhold their vote, including brokers, dealers or other nominees holding shares of their respective customers of record who cause abstentions to be recorded at the Annual Meeting, are considered stockholders who are present and entitled to vote and count toward the quorum. If a quorum is not present, the Annual Meeting will be adjourned until a quorum is obtained.

Could other matters be decided at the Annual Meeting?

As of the date this Proxy Statement went to press, the Board did not know of any matters which will be brought before the Annual Meeting other than those specifically set forth in the Notice hereof. However, if any other matter properly comes before the Annual Meeting, it is intended that the proxies, or their substitutes, will vote on such matters in accordance with the instructions given in such proxy.

How do I vote my shares?

Stockholders of Records

If you are a stockholder of record of our common stock as of the Record Date, you can vote your shares in person at the Annual Meeting or give a proxy to be voted at the Annual Meeting in any of the following ways:

- over the telephone by calling a toll-free number;
- electronically, via the internet, before the meeting at www.iproxydirect.com/RZLT; or
- by completing, signing and mailing the enclosed proxy card.

Unless you vote your shares in person at the Annual Meeting, your vote must be received by 11:59 p.m. Pacific Time on May 15, 2024, to be counted. The telephone and internet procedures have been set up for your convenience. We encourage you to save corporate expense by submitting your vote by telephone or internet. The procedures have been designed to authenticate your identity, to allow you to give voting instructions, and to confirm that those instructions have been recorded properly. If you are a stockholder of record and you would like to submit your proxy by telephone or internet, please refer to the specific instructions provided on the enclosed proxy card. If you wish to submit your proxy by mail, please return your signed proxy card to us before the Annual Meeting. Each proxy that is properly completed, signed and returned to the Company prior to the Annual Meeting, and not revoked, will be voted in accordance with the instructions given in such proxy.

Beneficial Owners Held In “Street Name”

If you are “beneficial owner” of shares held in “street name”, you must vote your shares in the manner prescribed by your broker, bank, trust or other nominee. Since you are not the “stockholder of record,” you may not vote your shares virtually at the Annual Meeting unless you request and obtain a valid proxy from your nominee. Please contact your nominee directly for additional information.

Can I change my vote after submitting my proxy?

Yes. You may revoke your proxy and change your vote at any time before your proxy is voted at the Annual Meeting. If you are a stockholder of record, you may revoke your proxy and change your vote by submitting a later-dated proxy by telephone, internet or mail **by 11:59 p.m. Pacific Time on May 15, 2024, or by voting at the meeting.**

To request an additional proxy card, or if you have any questions about the Annual Meeting or how to vote or revoke your proxy, you should contact Issuer Direct via-email at proxy@issuerdirect.com.

How can stockholders nominate a candidate for election as a director?

Any stockholders desiring to submit a recommendation for consideration by the Board of a candidate that the stockholder believes is qualified to be a Board nominee at any upcoming meeting of stockholders may do so by submitting that recommendation in writing to the Board not less than 90 days or more than 120 days prior to the first anniversary of the date of the prior year's annual meeting (the "*Anniversary*"). However, if the date of the upcoming annual meeting has been changed by more than 30 days before or after the Anniversary, the recommendation must be received no earlier than the close of business on the date that is 120 days prior to such annual meeting and not later than the close of business on the date that is the later of (i) 90 days prior to such annual meeting or (ii) 10 days following the day on which public announcement of the date of such meeting is first made by the Company. In addition, the recommendation for a Board nominee should be accompanied by the following information:

- the name and address of the nominating stockholder and of the person or persons being recommended for consideration as a candidate for Board membership;
- the number of shares of voting stock of the Company that are owned by the nominating stockholder, his or her recommended candidate and any other stockholders known by the nominating stockholder to be supporting the candidate's nomination;
- a description of any arrangements or understandings, that relate to the election of directors of the Company, between the nominating stockholder, or any person that (directly or indirectly through one or more intermediaries) controls, or is controlled by, or is under common control with, such stockholder and any other person or persons (naming such other person or persons);
- such other information regarding each such recommended candidate as would be required to be included in a Proxy Statement filed pursuant to the proxy rules of the SEC;
- the written consent of each such recommended candidate to be named as a nominee and, if nominated and elected, to serve as a director; and
- the completed and signed questionnaire, representation and agreement made by the candidate as required by Section 6(D) of Article I of the Company's Amended and Restated Bylaws.

What is the deadline to submit stockholder proposals for the 2025 Annual Meeting?

Proposals of stockholders intended to be presented at the Annual Meeting of Stockholders to be held following the closing of our fiscal year ending June 30, 2024 (the "*2025 Annual Meeting of Stockholders*") must be received at the Company's principal office no less than 90 days or more than 120 days prior to the first anniversary of the date of this year's Annual Meeting. However, if the date of the 2024 Annual Meeting of Stockholders is changed by more than 30 days from the one-year anniversary of this year's Annual Meeting pursuant to the rules and regulations of the SEC, the Company will publicly announce such revised Annual Meeting date and applicable deadlines for stockholder proposals for action or nomination once finally determined. In such case, the recommendation must be received no earlier than the close of business on the date that is 120 days prior to such annual meeting and not later than the close of business on the date that is the later of (i) 90 days prior to such annual meeting or (ii) 10 days following the day on which public announcement of the date of such meeting is first made by the Company

Generally, under SEC Rule 14a-8, in order for a stockholder proposal to be included in our proxy solicitation materials for our annual meeting, it must be delivered to our Corporate Secretary at our principal executive offices no later than 120 days prior to the first anniversary of the prior year's annual meeting. Provided, however, that if the date of the annual meeting is more than 30 days before or after the first anniversary of the prior year's annual meeting, notice by the stockholder must be delivered within a reasonable time before we begin to print and send our proxy materials. All submissions must comply with all of the requirements of our bylaws and Rule 14a-8 of the Securities Exchange Act of 1934, as amended (the "*Exchange Act*").

In addition, stockholders who intend to solicit proxies for the annual meeting in support of director nominees other than the nominees must provide notice that sets forth the information required by Rule 14a-9 promulgated under the Exchange Act and our bylaws no later than 60 days prior to the first anniversary of the prior year's annual meeting. However, if the date of the annual meeting is changed by more than 30 days before or after the first anniversary of the prior year's annual meeting, or if no annual meeting was held in the prior year, notice by the stockholder, to be timely, must be delivered by the date that is the later of (i) 60 days prior to the date of the annual meeting or (ii) the 10th day following the date on which the date of the annual meeting is first publicly announced or disclosed by us.

Where can I find voting results of the Annual Meeting?

We will announce preliminary voting results with respect to each proposal at the Annual Meeting. In accordance with SEC rules, final voting results will be published in a Current Report on Form 8-K within four business days following the Annual Meeting, unless final results are not known at that time in which case preliminary voting results will be published within four business days of the Annual Meeting and final voting results will be published once they are known by the Company.

Where can I find information about the Annual Report of the Company?

We will furnish without charge to each person whose proxy is being solicited, upon request of any such person, a copy of the Annual Report of the Company on Form 10-K, for the fiscal year ended June 30, 2023 (our "*2023 Annual Report*"), as such was filed with the SEC, including our audited financial statements. Such report was filed with the SEC on September 14, 2023 and is available on the SEC's website at www.sec.gov, as well as on our website at www.rezolutebio.com.

Each of our current directors has been nominated by the Board for re-election at the Annual Meeting. If elected, each nominee has consented to serve as a director and to hold office until the next annual stockholders' meeting, until his successor is elected and shall have qualified, or until his earlier death, resignation, removal or disqualification. Mr. Kim and Mr. Elam are not "independent" as that term is defined in Section 5605(a) of Nasdaq listing rules.

When considering whether director nominees have the experience, qualifications, attributes and skills to enable the Board to satisfy its oversight responsibilities effectively in light of our business and structure, the Board focuses primarily on the industry and transactional experience, and other background, in addition to any unique skills or attributes associated with a director.

Presented below is biographical information about each nominee as of the date of this Proxy Statement. The information presented includes the nominee's principal occupation and business experience for the past five years, and the names of other publicly held companies of which he currently serves as a director or has served as a director during the past five years.

Nevan Charles Elam. Mr. Elam has served as our Chief Executive Officer since January 2013 and currently serves as our Principal Financial Officer. Information about the Board of Directors

Board Composition

Our Board currently consists of six members. Directors elected at this meeting and each subsequent annual meeting will be elected for one-year terms or until their successors are duly elected and qualified. We have two board observers, So-Hyun Kwon, a representative from Handok Inc. and Scott Morenstein, a representative the Hedge Fund Solutions Group of Blackstone.

Our Board does not currently have a policy on whether the same person should serve as both the Chief Executive Officer and Chairman of the Board or, if the roles are separate, whether the Chairman should be selected from the non-employee directors or should be an employee. The Board believes that it should have the flexibility to make these determinations at any given point in time in the way that it believes best to provide appropriate leadership for us at that time. Currently, our Chief Executive Officer, Nevan Elam, serves as the Acting Chairman of the Board.

Selection of Nominees for our Board of Directors Experience, Qualifications, and Diversity

To be considered as a director nominee, an individual must have, among other attributes: high personal and professional ethics, integrity and values; commitment to our Company and stockholders; an inquisitive and objective perspective and mature judgment; availability to perform all Board and committee responsibilities; and, in the case of non-executive director, independence. In addition to these minimum requirements, our Board will evaluate whether the nominee's skills are complementary to the existing directors' skills and our Board's need for operational, managerial, financial, international, industry-specific or other expertise. We do not have a specific written policy with regard to the consideration of diversity in identifying director nominees. We focus on identifying nominees with experience, qualifications, attributes and skills to work with the other directors to serve the long-term interests of our stockholders. All those matters being equal, we do and will consider diversity as a positive additional characteristic in potential nominees.

The Board does not have a formal written policy with regard to the consideration of diversity in identifying director nominees. We focus on identifying nominees with experience, qualifications, attributes and skills to work with the other directors to serve the long-term interests of our stockholders. All those matters being equal, we do and will consider diversity a positive additional characteristic in potential nominees. Not only has this informal approach to the promotion of diversity resulted in a group of director nominees that we believe to be individuals of substantial accomplishment with demonstrated leadership capabilities, but, as indicated in the charts below, it has also resulted in a group of director nominees possessing diversity of thought, perspective, experience, and backgrounds.

All nominees are evaluated by our Nominating and Governance Committee to determine whether they meet the minimum qualifications and whether they will satisfy our Board's needs for specific expertise at that time.

No stockholder has nominated anyone for election as a director at this annual meeting.

Stockholders may communicate with the Board or any of the directors by sending written communications addressed to the Board generally, or to any director(s), to Rezolute, Inc., 275 Shoreline Drive, Suite 500, Redwood City, CA 94065. All communications are compiled and forwarded to the Board or the individual director(s) accordingly.

Board Leadership Structure and Role in Risk Oversight

The Board understands that board structures vary greatly among United States public corporations, and the Board does not believe that any one leadership structure is more effective at creating long-term stockholder value. The Board believes that an effective leadership structure could be achieved either by combining or separating the Chairman and Chief Executive Officer positions, so long as the structure encourages the free and open dialogue of competing views and provides for strong checks and balances. Specifically, the Board believes that to be effective, the governance structure must balance the powers of the Chief Executive Officer and the independent directors and ensure that the independent directors are fully informed, able to discuss and debate the issues that they deem important, and able to provide effective oversight of management.

Currently, the Chairman of the Board of Directors is the Company’s President and Chief Executive Officer, Nevan C. Elam. The Board believes that combining the Chairman and Chief Executive Officer positions are currently the most effective leadership structure for the Company given Mr. Elam’s in-depth knowledge of the Company’s business, operations and industry, as well as his ability to formulate and

implement strategic initiatives. Further, Mr. Elam is intimately involved in the day-to-day operations of the Company and is thus in a position to elevate the most critical business issues for consideration by the Board.

Nevertheless, the Board believes that “one-size” does not fit all, and the decision of whether to combine or separate the positions of Chairman and Chief Executive Officer will vary from company to company and depend upon a company’s particular circumstances at a given point in time. Accordingly, the Board will continue to consider from time to time whether the Chairman and Chief Executive Officer positions should be combined or separated based on what the Board believes is best for the Company and its stockholders.

Our Board has overall responsibility for the oversight of risk management. As part of this oversight, on a regular basis, our Board receives reports from various members of management and is actively involved in monitoring and approving key decisions relating to our operations and strategy. In setting the Company’s business strategy, the Board assesses the various risks being mitigated by management and determines what constitutes an appropriate level of risk for the Company. While the Board of Directors has the ultimate oversight responsibility for the risk management process, various committees of the Board of Directors also have responsibility for risk management. For example, the Audit Committee oversees risks relating to accounting and financial reporting matters, as well as the enterprise risk management process; the Compensation Committee oversees risks relating to the compensation and incentives provided to our executive officers; and the Nominating and Governance Committee oversees risks and exposures associated with director and management succession planning, corporate governance and overall effectiveness of the Board. The Board is advised by these committees of significant risks and management’s response via periodic updates.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT AND RELATED STOCKHOLDER MATTERS

The following table sets forth information with respect to the beneficial ownership of shares of our common stock by (i) each director, (ii) each Named Executive Officer, (iii) all directors and executive officers as a group, and (iv) each person who we know beneficially owns more than 5% of our common stock, in each case as of March 18, 2024 (the “*Determination Date*”), unless otherwise indicated below. Beneficial ownership is determined in accordance with the rules and regulations of the SEC and generally includes voting or investment power with respect to such securities. Under these rules, beneficial ownership includes all shares as to which the individual or entity has sole or shared voting power and investment power and includes all shares that an individual or entity has the right to acquire within 60 days after the Determination Date through the exercise of pre-funded warrants, other warrants, stock options, or other rights.

Certain shareholders have voluntarily placed ownership blocker restrictions that prevent exercise of their pre-funded warrants and other warrants for a 60-day period. Accordingly, such pre-funded warrants and other warrants with ownership blocker restrictions are not considered to be beneficially owned by those shareholders because the underlying shares does not have voting and dispositive rights within 60 days after the Determination date.

Shares that are subject to beneficial ownership through the exercise of pre-funded warrants, other warrants and stock options are deemed to be outstanding and beneficially owned for the purpose of computing share and percentage ownership of that person or entity but are not deemed to be outstanding for the purpose of computing the percentage ownership of any other person or entity.

Except as indicated in the footnotes to this table, and as affected by applicable community property laws, all persons listed have sole voting and investment power for all shares shown beneficially owned by them. This information is not necessarily indicative of beneficial ownership for any other purpose.

The number of shares beneficially owned and the percentage of shares beneficially owned are based on 40,127,647 shares of common stock issued and outstanding as of the Determination Date. Unless otherwise indicated, the address of our directors and executive officers is c/o Rezolute, Inc., 275 Shoreline Drive, Suite 500, Redwood City, California 94065.

Section 16(a) Beneficial Ownership Reporting Compliance.

Section 16(a) of the Exchange Act requires our executive officers and directors, and persons who own more than 10% of our common stock, to file reports regarding ownership of, and transactions in, our securities with the SEC and to provide us with copies of those filings. Based solely on our review of the copies of such forms received by us, or written representations from certain reporting persons, we believe that during the fiscal year ended June 30, 2023, all filing requirements applicable to its executive officers, directors and ten percent beneficial owners were complied with.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS AND DIRECTOR INDEPENDENCE

Review, Approval or Ratification of Transactions with Related Persons

We rely on our Audit Committee to review related party transactions on an ongoing basis to prevent conflicts of interest. Our Audit Committee reviews a transaction in light of the affiliations of the director, officer or employee and the affiliations of such person's immediate family. Transactions are presented to our Board for approval before they are entered into or, if this is not possible, for ratification after the transaction has occurred. If our Board finds that a conflict of interest exists, then it will determine the appropriate remedial action, if any. Our Board approves or ratifies a transaction if it determines that the transaction is consistent with the best interests of the Company.

Director Independence

Because our common stock is currently listed on the Nasdaq Capital Market, we have used the definition of “independence” as defined under the rules of the Nasdaq Stock Market to determine whether our current directors or our new directors are independent. We have determined that as of June 30, 2023, Messrs. Fauchet and Labrucherie and Drs. Hogenhuis and Kreher were independent directors as defined by Nasdaq Rule 5605(a)(2), and for purposes of Section 16 of the Exchange Act. Nasdaq Listing Rule 5605(a)(2) provides that an “independent director” is a person other than an officer or employee of the Company or any other individual having a relationship which, in the opinion of our Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

The Nasdaq listing rules provide that a director cannot be considered independent if:

- the director is, or at any time during the past three years was, an employee of the Company;
- the director or a family member of the director accepted any compensation from the Company in excess of \$120,000 during any period of twelve consecutive months within the three years preceding the independence determination (subject to certain exclusions, including, among other things, compensation for board or board committee service);
- a family member of the director is, or at any time during the past three years was, an executive officer of the Company;
- the director or a family member of the director is a partner in, controlling stockholder of, or an executive officer of an entity to which the Company made, or from which the Company received, payments in the current or any of the past three fiscal years that exceed 5% of the recipient’s consolidated gross revenue for that year or \$200,000, whichever is greater (subject to certain exclusions);
- the director or a family member of the director is employed as an executive officer of an entity where, at any time during the past three years, any of the executive officers of the Company served on the compensation committee of such other entity; or
- the director or a family member of the director is a current partner of the Company’s outside auditor, or at any time during the past three years was a partner or employee of the Company’s outside auditor, and who worked on the Company’s audit.

Investors in Registered Direct Offerings

In connection with the 2022 RDO, certain officers and directors of the Company purchased 111,840 shares of common stock at \$3.80 per share, whereby we received gross proceeds of \$0.4 million.

In connection with a Private Placement in July 2022, Handok and Young-Jin Kim purchased 3,157,895 and 78,947 shares, respectively, of common stock at \$3.80 per share. The aggregate gross proceeds from these transactions amounted to \$12.3 million.

Vote Required

Directors are elected by a plurality of the votes cast at the Annual Meeting on the election of directors. The nominees receiving the highest number of affirmative votes will be elected. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the six nominees named above. If you do not vote for a particular nominee, or if you withhold authority for one or all nominees, your vote will not count either “for” or “against” the nominee, although it will be counted for purposes of determining whether there is a quorum. Generally, brokers do not have discretion to vote uninstructed shares with respect to this “non-routine” matter. However, broker non-votes are not votes cast; thus broker non-votes will not be counted “for” or “against” the nominee. If any director-nominee should withdraw or otherwise become unavailable for reasons not presently known, the proxies which would have otherwise been voted for that director nominee may be voted for a substitute director nominee selected by our Board.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF EACH OF THE ABOVE-IDENTIFIED DIRECTOR-NOMINEES.

**PROPOSAL 2
ACCOUNTANT PROPOSAL**

Dismissal of Previous Accountant and Engagement of New Accountant

On March 8, 2024 we dismissed Plante & Moran, PLLC as our independent auditors (“*Plante Moran*”). Plante Moran performed audits of the Company’s consolidated financial statements for the years ended June 30, 2023 and 2022. Plante Moran’s reports did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope, or accounting principles.

During the two years ended June 30, 2023, and 2022, and the subsequent interim period up to and including the date of Plante Moran’s dismissal, there were no (i) disagreements between the Company and Plante Moran on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to its satisfaction, would have caused Plante Moran to make reference to the subject matter of such disagreements in connection with its report on the Company’s consolidated financial statements, or (ii) “reportable events,” as described in Item 304(a)(1)(v) of Regulation S-K promulgated by the SEC pursuant to the Securities Exchange Act of 1934, as amended, except for the disclosure of the material weakness in the Company’s internal controls over financial reporting as disclosed in Part II, Item 9A of the Company’s Annual Report on Form 10-K for the year ended June 30, 2023.

On March 14, 2024, Plante Moran furnished a letter stating it read and agreed with the Company’s characterization of its reasons for dismissing Plante Moran.

On March 8, 2024 the Company appointed the firm Grant Thornton LLP (“*Grant Thornton*”), to serve as our independent registered public accounting firm for the fiscal year ending June 30, 2024. During the two years ended June 30, 2023 and 2022, and the subsequent interim period up to and including the date of Plante Moran’s dismissal, neither the Company nor anyone on its behalf has consulted Grant Thornton with respect to any accounting or auditing issues involving the Company. In particular, there was no discussion with the Company regarding the application of accounting principles to a specified transaction, the type of audit opinion that might be rendered on the Company’s financial statements, or any matter that was either the subject of a disagreement, as described in Item 304 of Regulation S-K, with Plante Moran, or a “reportable event” as described in Item 304(a)(1)(v) of the Regulation S-K.

While our Audit Committee is responsible for the appointment, compensation, retention and oversight of the independent registered public accounting firm, our Board is requesting that the stockholders ratify this appointment. Relationship Between Pay and Performance

“Compensation actually paid,” as calculated per Item 402(v) of Regulation S-K, reflects cash compensation actually paid as well as changes to the fair values of equity awards during the indicated fiscal years in the table based on year-end or vesting date stock prices, and various accounting valuation assumptions. Due to how CAP is calculated, the CAP as reported for each fiscal year does not reflect the actual amounts earned by our NEOs from their equity awards. CAP generally fluctuates annually due to the change in our stock price from fiscal year to fiscal year as well as varying levels of actual achievement of performance goals.

Below are graphs showing the relationship of “Compensation Actually Paid” to our PEO and the Reported NEOs for fiscal 2022 and 2023 to (1) the cumulative TSR of our common stock and (2) our net income.

Code of Ethics

We have adopted a Code of Business Conduct and Ethics that is applicable to all of our employees, officers and directors. The code is available on our website, www.rezolutebio.com, under the “Investors” tab, which was amended and restated on May 30, 2023. We intend to disclose future amendments to, or waivers from, certain provisions of our code of ethics, if any, either in (i) a Current Report on Form 8-K or (ii) on the above website within four business days following the date of such amendment or waiver.

Compensation Committee Interlocks and Insider Participation

None of the members of our Compensation Committee is or has been an officer or employee of the Company. None of our executive officers currently serves, or in the past year has served, as a member of the Compensation Committee (or other board committee performing equivalent functions or, in the absence of any such committee, the entire Board) or as a director of any entity that has one or more executive officers serving on the Board or the Compensation Committee.

Restrictions on Short Sales, Hedging, Pledging, and Similar Transactions

Our insider trading policy prohibits our employees (including executive officers) and directors from engaging in transactions involving short sales, options trading, and hedging or monetization arrangements with respect to our securities, as well as prohibits such individuals from holding the Company’s securities in a margin account. Additionally, our insider trading policy generally prohibits such individuals from entering into pledging arrangements with respect to our securities, except in limited circumstances with pre-approval from the Audit Committee.

Vote Required

The affirmative vote of the majority of votes cast at the Annual Meeting will be required to approve, on an advisory basis, the compensation of our NEOs as described herein. Because the vote is advisory, it will not be binding on the Company, our Board or the Compensation Committee. Nevertheless, the views expressed by our stockholders, whether through this vote or otherwise, are important to us and, accordingly, the Board and the Compensation Committee intend to consider the results of this vote in making determinations in the future regarding executive compensation arrangements. Abstentions will have no effect on this proposal. If you are a “street name” stockholder and you do not provide your brokerage firm with voting instructions, your brokerage firm may not cast votes with respect to the shares that you beneficially own. These broker non-votes will have no effect on the vote.

THE BOARD RECOMMENDS THAT YOU VOTE “FOR” THE PROPOSAL TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS, AS DESCRIBED IN THIS PROXY STATEMENT.

PROPOSAL 4
AMENDMENT OF 2021 INCENTIVE COMPENSATION PLAN

In October 2022, the SEC adopted final rules implementing the incentive-based compensation recovery provisions of the Dodd-Frank Wall Street Reform and Consumer Protection Act. Those final rules directed stock exchanges to establish listing standards requiring listed companies to develop and implement a policy providing for the recovery of erroneously awarded incentive-based compensation received by current or former executive officers and to satisfy related disclosure obligations. Effective October 2, 2023, the Nasdaq Stock Market implemented its clawback rules where every listed company was required to adopt a clawback policy no later than December 1, 2023. We adopted our incentive compensation recovery plan (the “*Clawback Policy*”) in November, 2023.

The 2021 Plan provides that awards granted thereunder are subject to mandatory repayment by the grantee to the Company to the extent that the grantee is or becomes subject to “clawback” or recoupment policies we may adopt or any applicable laws, in each case, that require the repayment by such grantee to the Company of compensation paid to such grantee by the Company in the event that such grantee fails to comply with, or violates, the terms or requirements of such policy. 2021 Plan Amendment clarifies the foregoing provision by providing that the type of “clawback” or recoupment policies described in the applicable provision include without limitation, any policy we adopt in response to SEC or Nasdaq rules.

The 2021 Plan Amendment is not amending any other provisions of the 2021 Plan. *See Appendix A for the 2021 Incentive Compensation Plan Amendment.*

Vote Required

The approval of the amendment of the 2021 Plan will require the affirmative vote of the holders of a majority of the stockholders present in person or represented by proxy at the Annual Meeting. Abstentions will have no effect on this proposal. If you are a “street name” stockholder and you do not provide your brokerage firm with voting instructions, your brokerage firm may not cast votes with respect to the shares that you beneficially own. These broker non-votes will have no effect on the vote.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE 2021 PLAN AMENDMENT.

OTHER MATTERS

The Board is not aware of any matter to be presented for action at the Annual Meeting other than the proposals described above. Although the Board knows of no other matters to be presented at the Annual Meeting, all proxies returned to us will be voted on any such matter in accordance with the judgment of the proxy holders.

COSTS OF PROXY SOLICITATION

Our directors, officers and employees may solicit proxies in person, by telephone, or by other means of communication. We will not pay our directors, officers and employees any additional compensation for soliciting proxies.
